

The background of the cover is a blue-tinted image of a molecular structure, possibly water, with spheres representing atoms and lines representing bonds. A large, detailed water molecule is in the foreground, showing a central oxygen atom (red) and two hydrogen atoms (white). Other smaller molecules are scattered in the background, some in focus and some blurred. The overall aesthetic is clean, scientific, and modern.

AMT Design Handbook

Your Strategic Partner in Manufacturing Innovation

Contents

- 3 Overview of Powder Injection Molding (PIM)
- 4 The PIM Process
- 5 The Advantages
- 6 Material Table
- 10 Design Guidelines
- 15 Additional Tips on PIM Design
- 16 Geometry and Tooling Considerations
- 17 In-house Characterization and Analytical Capability
- 18 Quality Management System
- 19 One-stop Solutions
- 20 Case Studies of Innovative Applications
